

Sree Narayana College, Sivagiri, Varkala

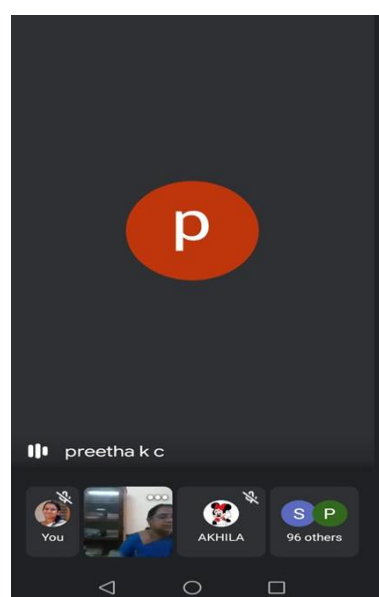

P G Department of Chemistry

DBT Star College Scheme Supported

Transition metal catalysis in Organic synthesis by Dr G Anil Kumar, Professor, School of Chemical Sciences, MG University, Kottayam on 17th October 2020

The resource person was Dr. G. Anilkumar, Professor, Organic Chemistry, School of Chemical Sciences, Mahatma Gandhi University, Kottayam. The webinar started with welcome address by the Head of the Department of Chemistry, Dr. Joly A. Webinar was inaugurated by Dr. K. C. Preetha, Principal, Sree Narayana College, Sivagiri, Varkala. The felicitation address was given by Dr. Soju S, IQAC Coordinator. Smt. Saritha S J, Assistant Professor of Chemistry introduced Dr. G. Anilkumar.

One hundred participants including teaching faculty members, research scholars, UG and PG students of various colleges actively participated in the webinar. In the first half, the resource person delivered a lecture on asymmetric oxidation with special reference to epoxidation using Ru and Fe. The development of non-asymmetric and asymmetric epoxidation using Fe were also covered in that session. In the second half, the development of novel C-C and C-heteroatom bond formations using Cu, Zn, Fe etc. together with some heterocycle synthesis were discussed. The talk was very inspiring and informative.

Welcome by Dr. Joly A
(HOD of Chemistry)

Inaugural Address by
Dr. K. C. Preetha, Principal

Felicitation by Dr. Soju S
(IQAC Co-ordinator)

Introduction by Smt. Saritha S. J.
(Asst. Professor of Chemistry)

Invited Talk by Dr. G. Anilkumar
Professor, Organic Chemistry, SCS
M.G. University, Kottayam

Vote of Thanks by
Smt. Lija P. Lekshmanan,
(Co-ordinator, Asst. Professor of Chemistry)

The webinar concluded with vote of thanks by Smt. Lija P. Lekshmanan (Co-ordinator, Assistant Professor of Chemistry). Feedbacks were collected from the participants and E-certificates were issued to those who submit the feedback. From the feedback it was realised that the invited lecture was very informative and inspiring.
