Sir / Madam,

We are very much delighted to inform you that Sree Narayana College, Sivagiri, Varkala is starting a unit of Birds Club International (BCI) in our campus on 3rd August 2021 at 7 pm. Sri. Jayaraj, Founder of BCI will inaugurate the unit.

Birds Club International is a noncommercial organization that aims at promoting global interest in birds, conservation of nature and the environment through public awareness and campaigns. Started in 2010, by National and International award-winning Indian filmmaker, Jayaraj Rajasekharan Nair, as part of Jayaraj Foundation, it is registered as a charitable organization to revive and conserve the environment, by tapping and utilizing optimum natural resources with the focus on BIRDS. BCI aims at evolving rain groves that contain native varieties of fruit trees, flowering plants, medicinal plants, etc. These would become home to a number of bird species, insects, animals, and plants that help preserve nature. It will build sustainable ecosystems promoting water conservation.

We request all staff and students to attend the function online.

Thanking You,

Dr. Leji. J
