About TRENDZ

Every year, Sree Narayana College in Sivagiri, Varkala, organizes the TRENDZ seminar series to share knowledge and empower the students. This is one of the college's best practices to pay tribute to our founder manager, Sri R. Sankar.

Practice

The TRENDZ seminar series is organized by the college and focuses on a theme pertinent to the corresponding years. This year's theme was "REINVENTING FOR RESILIENCE." Management, IQAC, staff, students, and the PTA organized the seminar series. The college's five PG and six UG departments hold lectures in their respective fields.
