INTERNSHIP CERTIFICATE

This is to certify that Arun K has successfully completed a 15-day internship at NextUp Business Solutions Pvt Ltd from 6th September 2023 to 22nd September 2023. During this period, Arun K served as an Export Trade Analyst.

Responsibilities and Achievements:

- Conducted comprehensive market research to identify potential export opportunities.
- Analyzed trade data and provided valuable insights to enhance export strategies.
- Collaborated with the team to develop and implement effective export plans.
- Assisted in the preparation of documentation related to international trade transactions.
- Demonstrated a strong commitment to learning and adapting to new challenges.

Conclusion:

Arun K's dedication, analytical skills, and proactive approach were valuable contributions to our team. We commend his enthusiasm and commitment to the responsibilities assigned during the internship period.

This internship certificate is issued to acknowledge Arun K's successful completion of the internship program at NextUp Business Solutions Pvt Ltd.

ONE WEEK MULTI DISCIPLINARY SUMMER INTERNSHIP FOR HIGH SCHOOL STUDENTS

QUEST 2024

Discover Your Passion

REPORT ON THE SESSION CHEM ECSTASY

16.04.2024

In commemoration of the Diamond Jubilee Celebration and in honour of our Founder Manager Sri R. Sankar, a one-week multidisciplinary summer internship program, "QUEST 2024" was organized by the Research Cluster in collaboration with the Internal Quality Assurance Cell (IQAC) of Sree Narayana College, Sivagiri, Varkala. The programme aimed to provide high school students with a comprehensive understanding of various academic disciplines and research methodologies and to celebrate the rich legacy of the institution. The programme emphasized interdisciplinary collaboration, hands-on learning experiences, and exposure to real-world applications in different fields.

Sivagiri, Varkala

As part of "Quest 2024", the Post Graduate Department of Chemistry organised a session "Chem Ecstasy" on 16th April 2024. The programme commenced with an orientation session where the Head of the Department, Dr Archana S R welcomed the participating students and provided an overview of the objectives and structure of the internship. She gave an introduction to the Research Cluster and IQAC elucidated their roles in academic excellence and quality assurance.

The first session of "Chem Ecstasy" was handled by Ms. Lekshmi S Dharan, Assistant Professor of Chemistry and was aimed to enlighten high school students about the diverse career opportunities in chemistry and the significance of chemistry in everyday life. The session aimed to inspire students to pursue higher education in chemistry and explore the various avenues in this field. The second session was conducted in the laboratories of the department where the students delved into hands-on projects such as "Synthesis of Bioplastic from Tapioca Starch", Synthesis of Magnetic Nano Particles for Ferrofluid Applications" etc. under the guidance of experienced faculty mentors from department of chemistry.

PRINCIPAL
A.R. COLLEGE
VARKALA

The department also have arranged a comprehensive chemistry exhibition as part of the internship programme. The exhibition aimed to provide students with an immersive and interactive experience showcasing the fascinating world of chemistry through various experiments, exhibits and demonstrations. Experiments such as "The Elephant Toothpaste", "The Magic Blue Bottle", "Fire without Matchbox", "The Golden Rain", "Chemical Indicators" etc. were showcased, which allow them to witness the practical applications of chemistry firsthand.

IRKALA
 RYANA COLLEGE
 IRIGI

Students were given the opportunity to conduct simple experiments under the guidance of the faculty members in order to foster curiosity and critical thinking skills. Hands on activities encourage active participation and experiential learning. Visual aids such as charts, reaction schemes etc. enhanced students' understanding of complex concepts.

The students had the opportunity to visit the instrumentation facility established under the DBT STAR Scheme. The visit aimed to familiarize students with advanced analytical instruments and their applications in scientific research. Faculty members and post graduate students conducted demonstrations of various instruments. The interactive nature of demonstration fostered curiosity, critical thinking and enthusiasm among the students.

The quiz competition conducted after the lab visit was an integral part of the programme as it evaluates the knowledge and understanding gained by the students during their laboratory visit and hands-on experiments. The quiz aimed to reinforce key concepts, encourage active learning and foster a spirit of healthy competition among participants. The session "Chem Ecstasy" concluded with a vote of thanks by program coordinators and faculty mentors. Students expressed their gratitude for the invaluable learning opportunities provided by the program. The department also collected feedback from all the participants. The collaborative efforts of the Research Cluster and IQAC, coupled with the enthusiasm and engagement of participants, contributed to the program's effectiveness in fostering a culture of research excellence and interdisciplinary collaboration.
