

Nature Club - 2016-2017
One Day Seminar on 25th November 2016

Nature Club -2016 of Sree Narayana College, Sivagiri, Varkala organised a one day Seminar on **Forest, Wild Life and Environment** in association with the Department of Forest & Wild Life, Govt. of Kerala on 25th November 2016 in the College Conference Hall. The formal gathering was welcomed by Dr. Hima.R (Convenor of Nature club, S.N College, Varkala). Smt. K. Susy, Principal, S.N College, Varkala, presided over the function. In her presidential address, Smt. K. Susy, re-collected memories about her childhood days and added that at that time the environment in which she lived was pure and the climate prompt. She also emphasised the role of students in protecting and maintaining Nature for future generations and congratulated the co-ordinators for organising the seminar. Sri. Balasankar, Section Forest Officer, Forestry Information Bureau, was the chief guest. He presented a topicon *Forest, Wild Life and Environment*. He explained the various life styles followed by animals in the forest and how they maintain the ecological balance of forest. He also explained how man interferes and disrupts the forest ecosystem. Students were very much interested by the talk and their questions were addressed by the speaker. After the talk, there was a documentary based on environmental issues. Sreekutty Rajkumar of III Semester Botany delivered the vote of thanks.
