One-day Seminar:-

We started the activities of our Nature Club by conducting a one day Seminar on **Forest, Wild Life and Environment** in association with the Department of Forest & Wild Life, Govt. of Kerala on 5th December 2017 in the College Conference Hall. The formal gathering was welcomed by Dr.K.R. Kavitha (Convener of Nature club, S.N College, Varkala). Dr.Beena Karunakaran, Principal, S.N College, Varkala, presided over the function. Felicitations were delivered by Dr.Kumar. S.P, IQAC Convener and Dr.Hima.R, Head of Department of Botany. Sri. Balasankar, Section Forest Officer, Forestry Information Bureau, was the chief guest. He presented a topic on *Forest, Wild Life and Environment*. He explained the various life styles followed by animals in the forest and how they maintain the ecological balance of forest. He also explained how man interferes and disrupts the forest ecosystem. He also handed over a few copies of 'ARANYAM' – the official magazine of the forest department. The seminar

was followed by a film show by Sri. Balasankar about Forest wild life and environment. Students were very much interested by the talk and their questions were addressed by the speaker. After the talk, there was a documentary based on environmental issues.
