Placement programme Placement cell organized a programme in association with ESAF Bank for degree final year students on 1st may 2019. The proposed venue was college conference hall. All student members arrived in the conference hall at 10 am. Mr.Jithin Thomas from ESAF national bank explained the selection process. He delivered a detailed talk on banking and marketing. Mr.Jithin Thomas delivering lecture on banking Aptitude test. The selection process includes aptitude test, group discussion, first and final level interview. Total 38 students attended the campus drive. Aptitude test started at 11.00 am. The test includes conceptual reasoning, verbal reasoning and numerical 202 reasoning. 21 students passed the aptitude test. Through the aptitude test they can understand the candidate"s ability to perform specific tasks. Then group discussion started at 12.00pm. It gives an opportunity to all members to give their ideas and opinion on a certain topic. After group discussion 7 students shortlisted for final level interview and two of them hired by the bank as executive trainee. The selected candidates are Reshma. A.R (BCom) and Ajith. G (BCom).

Other broad activities undertaken by placement cell

- Grooming and training of the candidates for the placements so that their chances of selection increase.
- Once an organization shows interest in recruitment from the institute, the students are asked to register their interest for the job.
- Few students got placement offers from TCS through placement cell. This post especially for students of BSc Mathematics and Physics.
- Students registered in placement cell also attended grooming programmes conducted by WWS.
