FEEDBACK EVALUATION-ACTION TAKEN REPORT 2018-2019

2018-2021 Batch (First year)

Faculty Evaluation

The faculty evaluation analysis revealed that some of the parameter's need special attention. Teachers should also give importance in using modern technology, and include job-oriented classes. Teachers should focus on curricular and extracurricular activities. Students give positive response on criteria like subject knowledge, communication skill, punctuality and dedication of faculty. In the department level meeting, it was decided to take necessary steps to take in to consideration the various parameters that the students have marked as unsatisfactory.

Curriculum Evaluation

Curriculum feedback collected from first year BSc Zoology, it is recognized that Clarity and Relevance of Learning Material in relation to the Curriculum need to be improved. The analysed data discussed in department meeting. It is decided to report the matter to the Chairman of Board of Studies and take appropriate steps to improve the same.

Department Evaluation

Details collected from the students regarding our department we reached a conclusion that Laboratory facility, Classroom Facility does not satisfy our students expectations. We discussed the matter in the department are try to resolve the issues with the help of Principal and PTA. We take appropriate steps to improve the facilities. Students express their eagerness about the accuracy of internal assessment. Department has taken appropriate steps and authorized the teachers to adhere to the action plan of department for improvement in concerned criteria. Department recommended to the Principal for including the renovation of laboratory and classrooms under the RUSA project.

DEPARTMENT OF ZOOLOGY

FEEDBACK EVALUATION-ACTION TAKEN REPORT 2019-2020

2018-2021 Batch (Second Year)

Faculty Evaluation

The faculty evaluation analysis helped to notice that we have to focus on certain criteria. Teachers acknowledged the importance in using modern technology, and including job-oriented classes. Teachers should focus on curricular and extracurricular activities. Students are pleased on criteria like subject knowledge, communication skill. Meeting was conducted in department and it was marked to take required steps to solve the matter that our pupil are discontented.

Curriculum Evaluation

Curriculum feedback collected from Second year BSc Zoology; it is observed that relevance of study as well as extend of coverage of program of study need to be improved. We are able to make clear that students are unsatisfied about curriculum empowerment and catering of student needs. Relevance of Learning Material in relation to the Curriculum need to be improved. It is identified that curriculum is not relevant in empowering students and taking up challenges of modern life. These are considered in department meetings. We arrived at conclusion to report the matter to the Chairman of Board of Studies and take appropriate steps to improve the same.

Department Evaluation

Details collected from the students regarding our department we reached a conclusion that students are well satisfied with overall performance of department. Library facility, and extension activities and ICT Enabled classroom facility does not fully meet student's needs. We seriously paid attention to these matters in the department meetings. We reported this to Principal and tried to solve it. We take suitable steps to enhance the provision. We are focussing to improve the participation in teaching learning process. Department has taken pertinent steps and authorized the teachers to adhere to the action plan of department for improvement in perturbed criteria.
